Well the plans for Camp 2012 are well under way. This year we have 4 of the older girls as leaders and mentors for the girls. Next years camp will be even better than this years! With a bit more time to do the fun things, and an outing on the Thursday showing the out of towners an Auckland attraction.

The schedule for camp will be:

Arriving at Vaughan Park at 3pm on Monday 16 January 2012
Departing Vaughan Park at 1.00pm on Friday 20 January 2012.

For those flying into Auckland please try and arrange flights to arrive between 12 & 2pm on Monday and arrange to fly out between 4 & 6pm on the Friday. This will make it easier for us to arrange for a parent to transport your girls to & from the airport. Please liase with Karen 09 480 6617.

We will apply to Lottery commission for camp costs. This application is due in August but we will not have an answer back until December/ January so **we encourage all families to use** fundraise online www.fundraiseonline.co.nz/fundraise/account.aspx where we have set up an events page and encourage the girls to go and create their own page and send it out the link to friends and family. Also apply to their local Lions, The Warehouse and any other local **funding facilities**. {Please let me know if you require any additional info to apply).

You will all have a membership card please **ensure your member # is quoted on any deposits**. Please either make regular payments or ensure the camp fees of \$330 are paid up by 18 November 2011.
